

## Directions to the Lodge from the Security Gate & Front Entrance

---

The directions are as follows:

From the front entrance, turn right and follow Hide-A-Way Hills Lane up a hill. The road goes to the right and then crosses a bridge between two small lakes. At the end of the bridge, the road turns left, goes up another hill, and then goes past the Golf Course and Club House (on your left).

A little bit beyond the Club House, the road turns to the right, becomes Iroquois Lane and then turns right again where it becomes Aztec Lane. Take Aztec Lane down the hill, around a sharp left turn and then a sharp right turn and then up a hill where it curves to the left and becomes Lodge Lane. Take Lodge Lane past the Chapel (on your right). The Lodge building will be on your right. The HAH Office is at the rear of the building on the ground level..
