

INFO YOU NEED TO KEEP YOUR DOG (or other pet) HAPPY

HAH Dog Tags

All pet dogs in HAH must have a dog tag. The form to request a tag can be found on the HAH website under the Members Information tab/forms. The dog tag should be available to be picked up at Security one week after submitting the form. Be sure to use a good phone number on the tag so that it is easy to reach you. Security is required to pick up any loose dogs. When security picks up a dog, they will call the owner if the dog has a tag. If there is no tag, security will hold the dog at the maintenance area and then they call HAH member Sherrill Hunt. She has a microchip scanner and works with local dog rescues. If the dog has a chip, she will contact the owner. If no chip is found, she will hold the dog for 3 days. After 3 days, she will take the dog to one of the local dog rescue centers. If the dog is abandoned, it will be taken to a dog rescue as well.

Walking Your Dog

Inside of HAH

There are three good open areas to walk your dog – Area 54, The Reserve (Sheets Road) and the area in front of the dam. Please keep your dog leashed and within your control at all times for the safety of others and wildlife. Be sure to clean up after your pet!

Suggestions Outside of HAH

Alley Park

Location: 2805 Old Logan Rd, Lancaster, OH

Park size: 300 acres

Total trail length: 6 miles

Dog friendly & Restrooms

Rock Stalls Private Preserve – This site is owned by Camp Akita but visitors are welcome.

Location: From the entrance to Hide-A-Way Hills, turn left out the front gate toward SR664. About 1 mile and shortly before SR664, you will come to Rock Stull Rd; turn right and continue on this road for about 2.7 miles. There will be a small stone parking lot on your left. If you get to Logan-Hornsmill Rd, you have gone a few tenths of a mile too far.

From US-33 take the exit for OH-664 north. Turn left onto Logan Horns Mill Road. The road comes to a three-way fork – take the right most fork – Rock Stull Road and proceed 0.4 miles. You'll see a small sign and an entrance to a small gravel parking lot on your right.

Total trail length: 1.5 miles

Dog friendly

Rising Park

100 N High St, Lancaster, OH

Location: Take OH-22 through Lancaster, run left on OH-27. Just past the fairgrounds turn right into the Rising Park entrance

Park size: 73 acres

Dog friendly
