

REQUEST FOR HAH DOG IDENTIFICATION TAG

If you have a dog, please complete the form below and turn it in at Security or the Club Office. A tag will be prepared for each dog. The tag will show the owner's lot number and phone number stamped on the tag. This tag needs to be placed on the dog's collar.

With this system, if the dog is found by Security or another member it can be reunited with its owner instead of being sent to the pound.

All dogs found without a tag will be sent to the pound.

Please pick up your tag(s) at Security one week after submitting this form.
